

2020 ANNUAL REPORT

SHALOM HEALTH CARE CENTER

To provide quality health care that is patient-centered, affordable, and accessible for all in our community.

Dr. Leonardo Ortega
CEO

A letter from the Chief Executive Officer

Dear Friends of Shalom,

It is my pleasure to provide Shalom Health Care Center's ("Shalom") 2020 Annual Report. I am very proud of the many dedicated Shalom employees, volunteers, and community partners who work diligently and tirelessly to serve our thousands of valued patients.

At Shalom, we work closely with our patients to provide them the personalized care and attention they need. We want to be their medical home, where they can build a relationship with their health care provider and access affordable care for themselves and their families.

From an organizational perspective, Shalom continues to grow and provide care for more patients each year. I am encouraged by this growth and we intend to keep growing for years to come.

This annual report details some of our significant achievements in 2020 and provides a summary of Shalom's financial health. I hope you will appreciate the opportunity to review some of Shalom's new programs. I thank you for your ongoing support of who we are and what we do.

Together, we will build a healthier Indianapolis!

A handwritten signature in blue ink, appearing to read "L. Ortega".

Leonardo R. Ortega, M.D., M.P.H.
President / CEO

PROVIDING QUALITY
HEALTH CARE

Board of Directors

As a not-for-profit organization, Shalom has an established governing body - the Board of Directors. The Board is made up of active and diverse community volunteers who are dedicated to overseeing the development of our mission, vision, and values. As a Federally Qualified Health Center, Shalom's Board is consumer-driven – that is, at least 51% of the Board of Directors are consumers of Shalom services.

SERVING THE
COMMUNITY

COMMITTED
TO YOU

2020 Year in Review

2020 was a unique year for all of us. In response to the COVID-19 pandemic, Shalom continued providing uninterrupted care for our patients. Shalom was able to ensure patient safety and reduce risk of illness by implementing safety protocols at all sites, isolating patients, separating well visits from sick visits, expanding clinic space, adding appointment times during normal office hours, and offering telehealth visits to provide access for patients to see their provider from home.

Health Care Heroes

Our staff went above and beyond to make our clinics safe for patients by following strict procedures such as disinfecting all surfaces between patients, screening and isolating sick/ill patients, and providing care through telehealth services. Shalom recognizes them for their continued hard work, dedication, and patience during the pandemic.

Shalom Services: Your Home for Healthcare

Shalom employs an integrated care model allowing clinics to service a variety of health care needs under one roof. We are proud to be your Patient-Centered Medical Home and offer these services in addition to primary and behavioral health care.

BEAP

Breast Education Awareness Program - providing cancer screening services to uninsured and under-insured patients.

You CAN!

Colon cancer awareness program - providing free screenings to Shalom patients.

Mi Gente

Providing HIV education, protection, and prevention for the Latinx community.

For the Culture

Providing HIV education, protection, and prevention for the Black community.
