SPONSORSHIP OPPORTUNITIES 2026

“Partner With Purpose. Lead With Impact.”

LETTER FROM CEO

I am very proud of the many dedicated Shalom employees, members of the board of directors, volunteers and community partners who work diligently and tirelessly to serve our thousands of valued patients.

At Shalom, we work closely with our patients to provide the personalized care and attention they need. We strive to be their medical home—a place where they can build a relationship with their healthcare provider and access affordable care for themselves and their families. From an organizational perspective, Shalom continues to grow and provide care to more patients each year. I am encouraged by this growth, and we intend to continue expanding for many years to come.

I hope you appreciate the opportunity to review some of Shalom’s recent programs, and I thank you for your ongoing support of who we are and what we do. Together, we will build a healthier community!

“Together, we will build a healthier Indianapolis.”

— **Dr. Leonardo R. Ortega, CEO**
